Documentation for users

Users' Manual

Doci	ıman	tation	for	users

1. Overview

This documentation will enable the administrator, encoder and investigator to use the system with ease.

Doci	ıma	ntatio	n fo	r users
ひいに	ıme	manc	וטו וונ	useis

2. User Management

The administrator can create encoders. The encoders can create investigators.

			·	
DOCL	ımen	itation	1Or	users

3. Operations

The encoder can encode persons, relatives and abductors and assign these cases to investigators.
